LA Sanitation and the City of Los Angeles  
Invite you to the Launch of  
“recycLA”  
*Make Waste History*

June 5, 2017

10:00 am

Broadway Village II

[5101 S. Broadway Ave](#)

Los Angeles

Join LA Sanitation and the City of Los Angeles as we celebrate the official launch of our new public/private business and multifamily waste and recycling collection program, [“recycLA.”](#) This new program will standardize previously unregulated services for an estimated 80,000 commercial and multifamily residences in Los Angeles.

“recycLA” provides:

- Transparent, fair and predictable rates for customers
- An end to randomly charged additional fees
- 24/7 customer support
- Strategic service areas that will prevent large numbers of trash trucks from congesting and deteriorating City streets and alleys
- New waste and recycling bins that will be well-maintained and routinely cleaned of graffiti
- Universal recycling throughout Los Angeles
- Reduced dependence on landfills
- Improved air quality
- Food rescue and organic waste recycling

Please RSVP for yourself or a representative of your organization to the Department of Public Works, Public Affairs Office at [\(213\) 978-0333](tel:2139780333) or [PublicWorks.PublicAffairs@lacity.org](mailto:PublicWorks.PublicAffairs@lacity.org).
